## I. Planning a News Story

Who is the story about?

A news story gives you the Important facts right up front, in the lead or in the first few paragraphs. Often a reporter makes it easy for the reader to find the facts by organizing the news story around the 5 W's - Who? When? Where? What? Why? and an H - How?

What happened in the story?

Use this graphic organizer to Plan your news story.

When did it take place?

Event/Topic

Why is this important?

Where did it take place?

How did it happen?

Who? What? Why?  
When? Where?  
& How?
