

NOTICE OF A PUBLIC MEETING FOR THE PROPOSED DESIGN CHANGE AT  
SR 1249 (CANTON ROAD) AND SR 1256 (ENDY ROAD) UNDER THE  
NC 24-27 WIDENING FROM EAST OF BIG BEAR CREEK  
TO SR 1963 (ST. MARTIN ROAD) IN ALBEMARLE

TIP Project No. R-967CC

Stanly County

The North Carolina Department of Transportation (NCDOT) will hold an informal Public Meeting on Monday, November 17, 2008 between the hours of 4:00 p.m. and 7:00 p.m. in the Auditorium of the Stanly Community College located at 141 College Drive, Albemarle, 28801.

NCDOT representatives will be available in an informal setting during the hours indicated above to answer questions and receive comments relative to the proposed project. The information presented at the public meeting will present the proposed design modifications along the project that is under construction. The opportunity to submit written comments or questions will also be provided. Interested citizens may attend at any time during the above mentioned hours.

NCDOT proposes a design change to two intersections within the project study area, SR 1249 (Canton Road) and SR 1256 (Endy Road), from the conventional full movement intersection to a superstreet design. Due to heavy traffic volumes, signalized intersections in many regions across the United States are becoming increasingly congested. Operational and safety performance of these intersections have drastically decreased. Alternate intersection designs that perform better than the conventional signalized intersections are being implemented. The superstreet design allows for better progression of through traffic on the major road in both directions by preventing the minor road traffic from crossing the major road. As a result, the superstreet design limits access, improves safety, reduces traffic accidents, and reduces traffic delay by moving traffic through intersections more efficiently. The project is currently under construction.

Anyone desiring additional information regarding the design of the project may contact Ms. Tawana Brooks, Division 10, at 716 W. Main Street, Albemarle, 28001, phone (704) 982-0101, fax (704) 982-3146, or email [tbrooks@ncdot.gov](mailto:tbrooks@ncdot.gov).

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this hearing. Anyone requiring special services should contact Ms. Brooks as early as possible so that arrangements can be made.
