**(4) WALK-IN CUSTOMER**

Central Permit Office or pick up at Department of Transportation Highway Division/District Office after contacting the Central Permit Office for the required pre-issue of permit.

**(5) POSTAL MAIL**

North Carolina Department of Transportation  
Oversize/Overweight Permit Unit  
1425 Rock Quarry Road, Suite 109  
Raleigh, NC 27610

Also, there are several North Carolina permit policies that apply to all customers obtaining oversize and/or overweight permits.

- (1) You may request directly by telephone to the Central Permit Office at 1-888-LRG-MOVE (574-6683) or (919) 733-7154 (local), by faxing a single trip application to (919) 733-7828, or by submitting an application via web if you have a direct fax account set up with our office. Applications may be downloaded from our web page at [www.ncdot.org/~osowpermits](http://www.ncdot.org/~osowpermits) or faxed to you upon request. Forms may be reproduced for future use.
- (2) All requests with a vertical height in excess of fourteen feet (14') are required to be requested in writing at least two working days prior to the effective date for review and processing.
- (3) Incomplete information on the faxed application will result in the application being faxed back to the requestor and will delay issuance of the permit(s). A resend of an application for more information is not a denial of the request. The requested information should be entered on the returned application stamped "resent for additional information" and refaxed as soon as possible to our office.

- (4) Oversize/overweight permits obtained through our credit card program cannot be faxed to a truck stop or a Department of Transportation Division Office. They must be transmitted directly to your home or company. Also, permit request cannot be made from a DOT division/district office.
- (5) The maximum number of permits that may be requested in a single telephone call is four (4). A mobile/modular home (doublewide), with the same serial number and route of travel will be considered as one request.
- (6) No stamps, additions or deletions are to be made to the North Carolina issued document. All agency stamps must be made above or below the contents of the permit.

For additional information, please contact 1-888-221-8166.
