

STEEL PILE TIPS

(10-03-02)

Use steel pile tips in accordance with the plans, applicable parts of the Standard Specifications, and this Special Provision.

The steel pile tip is not included in determining the length of pile for payment. The contract unit price bid per each for “Steel Pile Tips” will be full compensation for adding the steel pile tips including, but not limited to, any Pile Splicers, swedge bolts, plates, hex nuts, welds, and HP steel piles required along with all labor, tools, and equipment.

Payment will be made under:

Steel Pile Tips.....Each
