TIP Project No. W-5001

Cumberland County

The North Carolina Department of Transportation (NCDOT) will hold the above Public Informational Meeting on Tuesday, August 5, 2008 between the hours of 5:00 p.m. and 7:00 p.m. in the lobby of District 7 Elementary School, 5721 Smithfield Road, Wade, 28395.

The purpose of this meeting is for NCDOT representatives to provide information, and answer questions regarding a revised design for this project. The opportunity to submit written comments will also be provided. Interested citizens may attend at any time during the above mentioned hours.

NCDOT proposes to realign SR 1815 / SR1826 (Wade-Stedman Road) at US 13 (Goldsboro Road) in order to improve vehicular safety and operations at this intersection. Wade-Stedman Road, on the south side of US 13, will be relocated. The new proposed alignment will move Wade-Stedman Road to a new location behind the parsonage of Center Baptist Church and will intersect with US 13 approximately 1500 feet south of the existing intersection.
