SR 1407 (CARVER STREET)

TIP Project No. U-3804

Durham County

The North Carolina Department of Transportation (NCDOT) will hold a Public Meeting on Tuesday, July 15, 2008 between the hours of 4:00pm and 7:00pm at the Durham Public Schools Staff Development Center located at 2107 Hillandale Road, Durham.

NCDOT representatives will be available in an informal setting during the hours indicated above to answer questions and receive comments relative to the proposed project. The information presented at the public meeting will represent the design revisions that were in large part based on public comment received during the public hearing in December of 2007. The opportunity to submit written comments or questions will also be provided. Interested citizens may attend at any time during the above mentioned hours. Please note that there will be no formal presentation.

NCDOT proposes to widen Hillandale Road to a four-lane, median divided roadway with 12-foot inside lanes and 14-foot outside lanes, and will include curb and gutter, a 17.5-foot raised median and 5-foot sidewalks. The purpose of the project is to relieve traffic congestion along Hillandale Road. Additional right of way will be required for this project.

Anyone desiring additional information may contact Mr. Jamille Robbins, Human Environment Unit at 1583 Mail Service Center, Raleigh, NC 27699-1583, phone (919) 715-1534, or email jarobbins@ncdot.gov. Additional material may be submitted until July 29, 2008.
