

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR PROPOSED
IMPROVEMENTS TO (SR 2467) MALLARD CREEK ROAD FROM SR 2480 (SUGAR
CREEK ROAD) TO SR 2665 (W.T. HARRIS BOULEVARD) IN CHARLOTTE

TIP Project No. U-2507A

Mecklenburg County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on Tuesday, November 18, 2008 between the hours of 4:00 pm and 7:00 pm at Vance High School, in the cafeteria, located at 7600 IBM Drive, Charlotte, 28262.

Aerial mapping depicting the proposed project will be displayed and NCDOT representatives will be available to discuss the project on a one-to-one basis throughout the workshop. Interested individuals may attend this workshop at their convenience during the above stated hours. Please note: there will be no formal presentation.

A Citizens Informational Workshop is held to provide the public an opportunity to participate in the planning process and update them on a project's status. Comments and information received from the public will be taken into consideration as work on this project progresses. Additional public involvement will be conducted throughout the development of the project.

NCDOT proposes the construction of a four-lane, median-divided roadway on a new location from the Graham Street / Sugar Creek Road intersection, from Garrison Road to W.T Harris Boulevard. The proposed improvements will accommodate the expected increase in traffic on Mallard Creek Road and provide safety.

Anyone desiring additional information may contact the project engineer, Elmo Vance, Project Development and Environmental Analysis, 1548 Mail Service Center, Raleigh, NC 27699-1548, phone (919) 733-7844 ext. 263; fax (919) 733-9794 or email: evance@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Mr. Vance as early as possible so that arrangements can be made.
