

October 27, 1999

TIP Project: U-2929
Counties: Macon
Description: SR 1659 (Depot Street) Extension from US 441 Business to SR 1323

MEMORANDUM

TO: John E. Alford, P.E., State Roadway Design Engineer
Roadway Design Unit
Attention: Sue R. Flowers, Project Engineer

FROM: Pamela L. Alexander, P.E., Plan Review Engineer
Congestion Management Section

SUBJECT: Review of Plans at the Drainage Recommendation Stage

The Plan Review Squad of the Traffic Engineering and Safety Systems Branch has completed a review of the roadway plans at the drainage recommendation stage for this project. At this time we have no comments.

If additional information is required, please contact me at 250-4151.
