Login Procedure

Application: ncdot

Userid: t1hf50m

Bill-code: ftr-dot

Password: XXX2000 (usually the first 3 letters of the month)

Type in **pmss** at a blank screen and enter the TIP number. This page will provide information such as the let date and project engineers assigned to this project.

Type in **wois** at a blank screen and enter the project number (8.xxxxxx). This page will provide information such as available funds and ability to charge to the project. A code of "20PE" means we can charge to the project.
