- Sept. 8-12 – Compile material for Workshop
- Sept. 15- 18 – Review material for Workshop
- Sept. 19th – Workshop material sent to print

2. Draft Agenda

3. Items To Be Determined

- Length for each topic
- Materials Needed
- Presenters
- Presenter at each of the 4 Workshops for each topic
- Items to completed before next meeting on August 27th

4. Items to discuss during workshop

- The Workshop is NOT about the Bike and Sidewalk Policy (not a means to get bike lanes and sidewalks)
- Division of Bike and Ped explaining how they are involved with this procedures
- Emphasize the need to review the pedestrian issues in accident report (info collected from Traffic Engineering)
- Community Surveys will define what additional data collection is (survey, count, phone calls, etc)

5. Procedure comments
