

PROJECT SCHEDULE

The current project schedule is shown below. Because a number of factors can affect a project schedule, it may be subject to change.

Complete Draft Environmental Impact Statement	Winter 2009/2010
Select Preferred Alternative	Summer 2010
Complete Final Environmental Impact Statement	Spring 2011
Begin right-of-way acquisition	2013
Construction	After 2015*

**Construction for these projects is currently unfunded. It is expected funds would be available and construction would begin after 2015.*
